2. Talked to the Administrative Assistants of ██████████ of-
fices for forty-five minutes. (They are here for their annual week's training
program in Washington.) Our central administrative offices are actively par-
ticipating in this program.

3. I spent some time with ██████████ and Bill Peel going over their
final draft of CIA Regulation No. ██████████. As soon as they have made a few minor
corrections I think that it will be ready for Mr. Wolf to present to the Direc-
tor for approval prior to publication.

4. Discussed with Mr. Wolf Jim Garrison's proposal to procure additional
arms in Europe.
